Dear Staff Sgt. Bouck,

The International Centre and the Group for Research and Education in Human Rights of The University of Calgary met today with Constable Baltej Dhillon of your detachment. During the meeting we were able to have a very positive exchange with respect to Constable Dhillon's recruitment into the Force and his experiences.

It was both a pleasure and a privilege meeting him. Constable Dhillon in our view is a great credit to the Force and can serve as a valuable role model for young people from his own and other minority communities.

The purpose of this letter is to express our thanks to you for making him available to the Calgary community.

With kind regards,

Yours sincerely

Bill Warden
