Dear Joan,

I have had your book and thoroughly enjoyed it so much, you certainly did a wonderful job. Congratulations.

Also I enjoyed seeing your & Raymond's pictures. Looked at your beautiful daughter & very handsome boys.

Where is Raymond? Wish he was a very sweet person. Look forward to meeting him. I did not recognize Hilda, where is Linda, Maxine, Mike, Marvin or Linda's daughter. Hope everyone is well. Please give my love to everyone and tell them I think of you all often.

Some unclassified corresponds that do not belong to me, sorry did not check through the pictures. Will not until I retired when I was flying to put them back in the envelope.

Hope you can read my writing my hands are really bad to say, but I'm hoping it will be better by the time I write to you.

Till we meet to see you all.
Love
San
