Dear Joan,

I have read your book and truly enjoyed it so much, Joan you really did an excellent job congratulations.

Also enjoyed seeing yours + Rajind's pictures and of your beautiful daughter & very handsome son.

How is Rajindi? Wish him a very speedy recovery. Each time we have talked after hanging up I said to myself again I did not ask about Gloria, Mark, Cindy, Minnie, Mike, Mindy or Cindy, <sup>Hindi</sup> daughters, hope everyone is well. Please give my love to everyone and tell them I think of you all often.

Joan, enclosed are some <sup>pictures</sup> that do not belong to us, sorry did not check through the pictures sooner until last week when I was trying to put them back into the album.

Hope you can read my writing my hands are really bad to day, but if I leave this letter now it will be a delay

All the best to you all  
Love  
San
