To Whom It May Concern:

On Friday, February 26, Constable Baltej Dhillon was a guest speaker (honorary Principal for the day) at our school as part of our Multi-Cultural appreciation week.

Constable Dhillon spoke to four different groups of grade 9 - 12 students (approximately 175 students) and proved to be a real 'hit' with our student body; in fact I had students asking to get out of an afternoon class just so they could listen to Constable Dhillon a second time.

I had the opportunity to listen to Constable Dhillon speak during several of his four sessions and the adjectives that came to mind as I watched him interact with the students were: dignity, poise, clear vision, excellent role model, polished ambassador and motivator. In short, Constable Dhillon did a first rate job and we greatly appreciated his involvement at Robron Secondary School. We look forward to working with both Constable Dhillon and other members of the R.C.M.P. again in the future.

Yours truly,

  
Robert Lundine  
Vice-Principal
