**COPY RETURNED: 95-08-01** Please make arrangements for Cst. DILLON to present a Turban to the Quesnel Museum. Should he need to order one from stores to do this please attach a copy of this memo authorizing same. Cst. DILLON should instruct the museum on the proper way to display the Turban. With the large East Indian population in the Quesnel area this should be a valued addition to their collection and is a good Community Based Policing initiative.

**REQUEST FOR DONATION TO QUESNEL MUSEUM**

Please see attached correspondence from Quesnel and District Museum. They are requesting a turban worn by Cst. Dhillon be donated to their museum. As you are aware this is the first posting for Cst. Dhillon who is the first RCMP member to wear a turban. Cst. Dhillon is in favour of the request. Concerns by Cst. Dhillon and the writer would be that the turban be displayed in such a manner that the dignity of the item and the RCMP are maintained.

As a matter of interest the RCMP museum in Regina has also requested a turban from Cst. Dhillon. This has not been done because of the problem in sending a turban to the museum and having it keep it's form while being shipped.

Memo is forwarded to you for consideration and recommended action.

Dear Staff Sgt. Busson

I am given to understand that Constable Dhillon is leaving Quesnel. With this in mind, the Quesnel & District Museum and Archives would like to request that the turban worn by Constable Dhillon be donated to the Museum.

The turban worn by Constable Dhillon was and is of Religious significance, but also of Historical interest because he was the first R.C.M.P. officer to be granted this privilege in Canada.

Thank you for considering this request.

Sincerely,

Ruth Stubbs  
Curator
