Ottawa, December 29, 1919.

My dear Mr. McMillan:-

I received your letter of December 27th, your file 4365, enclosing a brief file of correspondence regarding the furnishing of copies of certain Hindoo and Chinese messages to the Inspector of Immigration, Vancouver, this morning.

At the moment of the reception of your letter I was on the point of drafting the enclosed letter announcing the repeal of all the censorship Orders in Council sanctioned under authority of the War Measures Act 1914.

I only wish that I had words to adequately express my deep sense of gratitude to you and all of your staff for the invariably courteous and kindly spirit in which you have co-operated with me in my efforts to make the censorship of land line telegraphs an instrument of real usefulness to the country and the empire.

Looking forward to having the pleasure of shaking hands with you and personally expressing my gratitude, and wishing you a Happy and Prosperous New Year.

Believe me,

Yours faithfully,

Ernest J. Chambers

Chief Press Censor for Canada.

P.S. As requested, I am returning herewith the file of correspondence which accompanied your letter.
