66 Look into Jap question ²¹ Unlike other
meetings held recently in the Labor Hall,
everything was peace and quietness
at the regular semi-monthly meeting
of the Trades and Labor Council last
night. There was a full attendance of
members with President Von Rhein
and J. H. Melvety on the platform. It was
decided unanimously at the meeting to
send President Von Rhein to Victoria
in the interest of the Anti Asiatic League
to watch the next boat coming over from
Japan and to see how many Orientals
came over and how they were
distributed. The meeting was rather
apathetic and very little interest was shown
in the various topics brought up. ⁷¹
