Dear Sir,

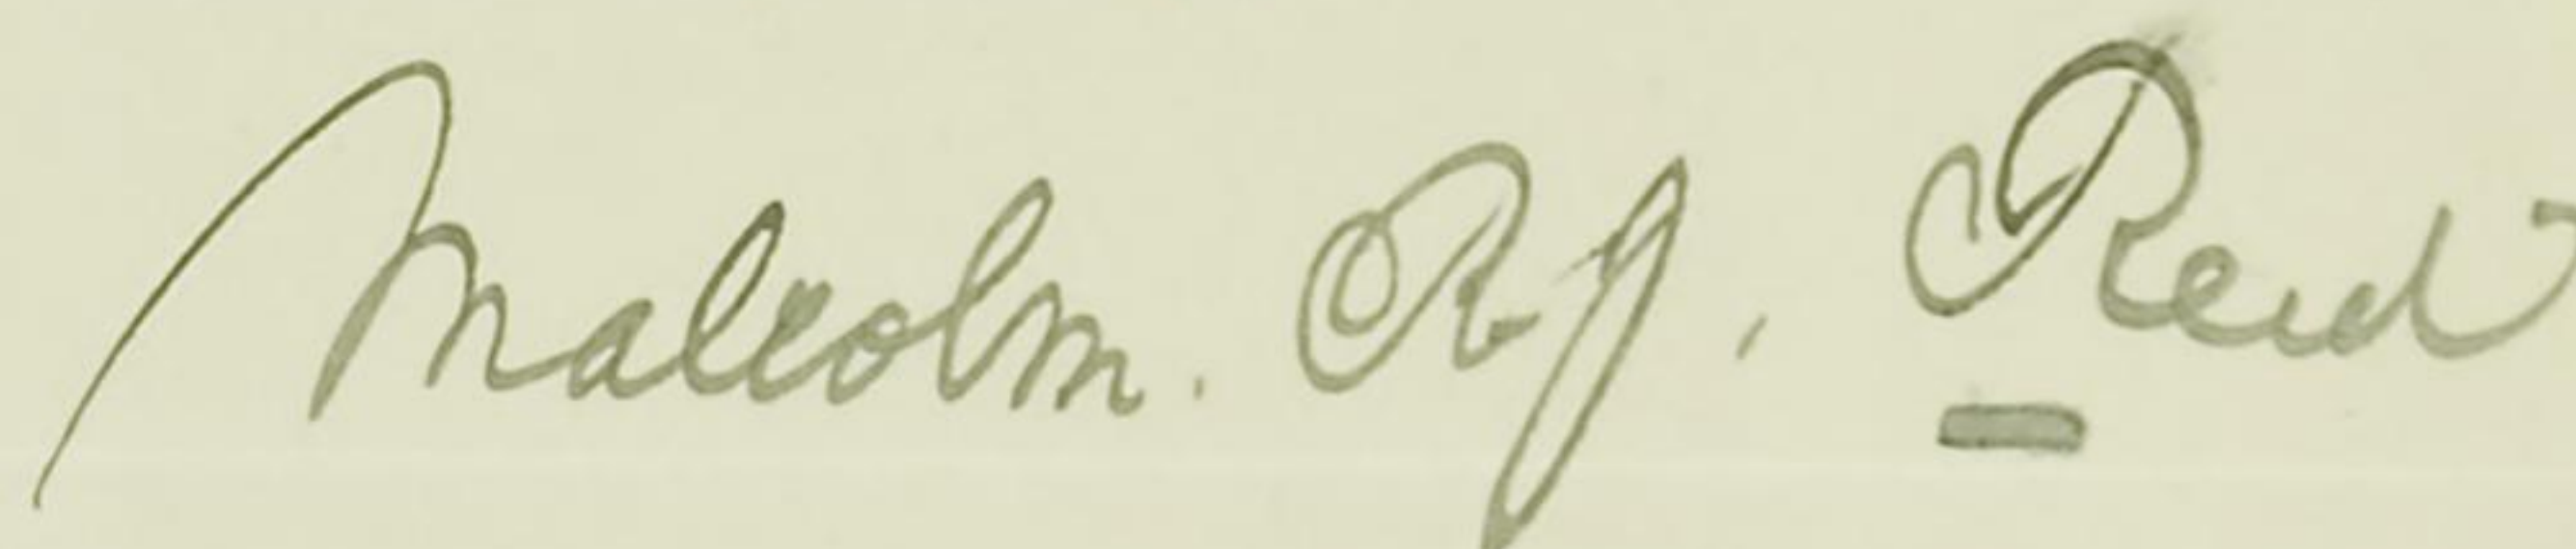

I enclose herewith cutting from the local "Daily Province" of the 15th. instant, being practically a reply to your speech at Ottawa as reported in the Coast papers.

I take it from the communication that G.D. Kumar (Hindu) will publish a series of such letters, and I will endeavour to keep you posted.

If, however, you deem it advisable I will see the newspapers, at least those that are friendly to us, and ask them to keep this stuff out.

However, this is a matter requiring some consideration.

Yours very truly,

Dominion Immigration Agent.
