Vancouver, B. C., Dec. 3rd 1913,

Malcolm R. J. Reid, Esq.,
Immigration Officer,
Vancouver, B. C.

Dear Sir:-

At a meeting held at our association rooms last evening, a resolution was passed heartily endorsing the drastic steps taken by yourself in the ejection of unsuitable subjects from our shores, and they spoke particularly of the steps taken by yourself in the recent affair in Victoria by your ejection of the Hindu priest, and Sir, you can rely that you have at all times the most hearty support of our non-partisan organization representing ratepayers and actual residents of the City of Vancouver.

Now, dear Sir, we hope that you will be as fearless in the future as you have in the past and act as you have on your good judgment to exclude any and all such unworthy subjects from our shores.

Yours truly,

Sgd. W. J. Pascoe,

Secretary Ward 7, Ratepayers Ass'n.
