My dear Sir:-

Re the Hindoo Question.

I have for the past year watched with great interest your untiring efforts to effect a proper regulation of the Oriental Immigration to British Columbia.

I have lived for eight years in Southern India and I am one of your strongest backers in the determination that you are displaying to eliminate entirely the immigration of the Hindoo. He is an undesirable and one of the most dangerous weapons to have in our midst in connection with Empire matters and especially do I refer to the Indian Empire.

I sincerely hope you are successful in stopping immigration of the Hindoo into Canada.

Very truly yours,
