S.S. KOMOGATA MARU,

Vancouver Harbour, B. C.

Dear Sir:-

Your letter No. 34, dated the 11th instant, to hand. I am instructed that you have all the provisions that your communication refers to. You may be sure that everything will be done, so far as lies in my power, to facilitate the delivery of food aboard the ship, and your statements that my officers or myself are doing anything to prevent this, are absolutely untrue.

Yours truly,

DOMINION IMMIGRATION AGENT & INSPECTOR.
