

## HIS IMPERIAL JAPANESE MAJESTY'S CONSULATE.

Vancouver, B. C., June 30th 1914.

Malcolm R. J. Reid, Esq.,  
Immigration Agent,  
Vancouver, B. C.

Dear Sir:-

I am addressing to you a few lines to express my thanks for the courtesy extended through you by the Dominion Government to the Japanese Training Squadron during their recent visit to Vancouver. The officers and men have been greatly impressed by the hospitality shown by the Government and people of Canada, during their brief stay here, and they will sail home pregnant with the most pleasant memory. I have cabled to the Imperial Government of the manner the cruisers have been entertained, and this if given publicity, would no doubt tend to strengthen the already existing friendship between Canada and Japan.

Also you are entitled to my personal sense of appreciation for the very many valuable services you have kindly rendered in connection with the entertainment of the cruisers.

With best regards,

Believe me,

Yours sincerely,

Sgd. Y. A. HORI,

Consul for Japan.
