The Immigration Agent,
Vancouver, B.C.

Sir:-

I have the honour to inform you that there is now supply of water on the board since forty eight hours; therefore we could not cook our food and there is not a single drop of water to drink.

If the water is not supplied within an hour a few passengers will breathe their last, and the result will be very bad.

We have asked Mr. Gurdit Singh many times, but there is no satisfaction.

Kindly make arrangements as soon as possible.

We are,

Yours truly,

Bhan Singh and

Pohlo Ram
for the passengers on s.s. Komogata Maru.
