Vancouver, B.C. July 19th.

Mr. Griffin,

House of Commons,

Ottawa.

Dear Sir:-

Will you be good enough to send me a copy of all the Blue Book references to the deportation of the Rioters from South Africa last year, by Premier Botha. I think there is in the Library a pamphlet covering the whole matter, and would appreciate very highly at the earliest possible opportunity this pamphlet and any other information you have covering that case of similar cases.

Yours very truly,
