Dear Mr. Stephens:-

I want to express my heartfelt admiration for the wisdom and patience you displayed recently in dealing with the Hindu question. In fact your occupancy of the position as Member of Parliament is giving a new and most gratifying interpretation as to the significance of that position in the life of a community. You are certainly establishing a record in Canadian public life by your vigilant care for all the interests of the people whom you represent.

With very best wishes, I am

Sincerely yours,

S. D. Chown.
