Sir,

Copy
64

I beg to enclose you herewith a copy of the rules and regulations of the "Hindustani Association" ^{*provided*} ~~submitted~~ in this city on the 23rd August 1910. You have no doubt already heard of this Association in the matter of H. Rahim when his case was brought to the notice of The Hon. The Premier in a message sent by G. D. Kumar as Secretary of this Association on or about the 23th June last. The pamphlet explains itself and one can easily see the objects of this Association.

I have not been able to secure a copy of the form of application to be signed by the applicant as referred to in Condition 1 in the rules and regulations of the Association, and on an endeavour made by me to obtain one I learnt the fact that the members were bound under oath not to reveal any of the pledges undertaken in the application.

Messrs Deacon & Bingham of 214 Bernard Street, who printed this pamphlet stated that this matter was secured by one of their solicitors from the office of the Canada India Supply & Trust Co. Ltd. at 50½ Hastings Street East, and from the description of the persons who gave them the printing, it would appear that the rules and regulations were drawn up by Rahim and Sundar Singh.

Although up to the present I have not had anything in the way of documentary evidence to show that Sundar Singh was or has been connected with Rahim or Kumar, this pamphlet in which his name ^{is} appears as secretary of the Association clearly shows that he is in with the rest of them in the same work.

No further action has been taken in the matter of Rahim which ~~is~~ decided against us by the Court.

Sundar Singh is still in Kamloops in the "Tranquille Sanatorium" and advice from that Institution shows that he is practically recovered and will be leaving in the course of a week or ten days for Vancouver. He has been a patient in that Institution since the 3rd January last. This man is under orders for deportation, but owing to his illness, combined with the pending of Rahim's case before the Court, no action was taken and at the present time I am not able to state what will be done in his case.

In conclusion I beg to acknowledge the receipt of the Dominion Police badge which arrived safe to hand on the 7th inst.

Yours obediently,

Ag. Wm. C. H. [Signature]
