Mr. A. G. McCandless,
Inspector of Taxation.
Vancouver B.C.

Dear Sir,

In reply to your letter of the 14th inst. I would say that I filled out Form T. I. quite a long time ago and sent it in I think it was to you or else possibly to Ottawa, but I think it was to you. Should you not find it let me and I can fill it out a second time if you wish me to.

Yours truly,
