Dear Sir ,

I beg to advise that your Current Account is lying inoperative with us since 8-2-1927 and shows a balance of Rs. 11-14-0 only. Please note that as keeping of an account involves a certain expense in Stationery, labour etc, the Bank in return expects a reasonable average balance to be maintained at all times. You are, no doubt, well aware, with the advantages of making payments by cheques and of maintaining a Banking account generally. May I therefore invite your attention to the above fact and request you to work your account in a manner both satisfactory to us and to yourself by placing the same in funds.

Trusting this will engage your early attention.

Yours faithfully,

Agent.
