Mayo Singh, Esq.,
Duncan, B. C.

Dear Mayo Singh:-

Sorry I did not see you at Toronto due to
my absence in the West Indies.

For your information, Jamaica and Nassau use
a great deal of B. C. Lumber - Kelly Lumber Company at Nassau
take cargoes of 300,000 feet at a time - They purchase at a
delivered price, side of dock. This business is being handled
at the moment through a Vancouver firm.

We are interested in you, due to our business
relations over a number of years and I pass this information on
to you as a further possible outlet for your lumber market activi-
ties.

If you are interested, you can get names of
possible buyers from the Canadian Trade Commissioners,

Very truly yours,

ABB/B.
