Dear Sir:-

Re First American Fire Insurance Policy
No. I.M.2009, covering Bucyrus Erie Gas Shovel which we
purchased from you.

When Mr. Mayo Singh called at our office
some days ago re the above Policy and examined the coverage
as issued, we overlooked the last clause in said Policy,
whereby Loss, if any, is payable to both Trans-Pacific and
Bachint Singh as their interests may appear.

We requested copy of this policy from
Messrs. Johnson, Walton Company and same has been forwarded
to you, which we presume you have received. We would,
therefore, draw to your attention the Loss Clause, being
the clause immediately preceding the signature of Policy,
which protects you in case of loss.

Yours respectfully,

TRANS-PACIFIC LUMBER COMPANY LIMITED

per _____
Director.
