Mr. Mayo Singh,

Duncan, B.C.

Dear Mr. Mayo Singh:

It was with deep regret that we saw in our local paper that you have sustained a heavy loss in the burning of your extensive mill, and we hasten to offer you and your dear family, our sincere and heartfelt sympathy.

Our prayerful wish is that the mill will soon be rebuilt and that it will become even more prosperous than it has been in the past.

Two men are busy laying the new floors; one is finished and the other will, we hope, be ready next week. The little children are very happy at the thought of the new floor and the new chairs.

Although you have kindly asked me to send you the bill for the carpenters' wages, I could not possibly do so now, since you have sustained this heavy loss. We will try and manage to pay for it ourselves.

Once again I thank you in the name of the Sisters and of the children, for your great charity to us. All join in wishing you and every member of your esteemed family, a Happy Prosperous New Year.

Very gratefully,

Sister Mary Hilda, S.S.A.
Superior.
