**ALL MESSAGES ARE SUBJECT TO THE FOLLOWING CONDITIONS, WHICH HAVE BEEN APPROVED BY THE BOARD OF RAILWAY COMMISSIONERS FOR CANADA, UNDER ORDER 162, DATED MARCH 30, 1916.**

It is agreed between the sender of the message on the face of this form and the Company with which the message is filed that said Company shall not be liable for damages arising from failure to transmit or deliver, or for any error in the transmission or delivery of, any unrepeatable telegram, whether happening from negligence of its servants or otherwise, or for delays from interruptions in the working of its lines, for errors in cipher, or obscure messages, or for errors from illegible writing, beyond the amount received for sending the same.

To guard against errors, the said Company will repeat back any telegram for an extra payment of one-half the regular rate; and, in that case, the said Company shall be liable for damages suffered by the sender to an extent not exceeding \$200.00, due to the negligence of the said Company in the transmission or delivery of the telegram.

Correctness in the transmission and delivery of messages can be insured by contract in writing, stating agreed amount of risk, and payment of premium thereon at the following rates, in addition to the usual charge for repeated messages, viz.: one per cent. for any distance not exceeding 1000 miles, and two per cent. for any greater distance.

The said Company shall not be liable for the act or omission of any other Company, but will endeavor to forward the telegram by any other Telegraph Company necessary to reaching its destination, but only as the agent of the sender and without liability therefor. The said Company shall not be responsible for messages until the same are presented and accepted at one of its transmitting offices; if a message is sent to such office by one of the said Company's messengers, he acts for that purpose as the sender's agent; if by telephone, the person receiving the message acts therein as agent of the sender, being authorized to assent to these conditions for the sender. The said Company shall not be liable in any case for damages, unless the same be claimed, in writing, within sixty days after receipt of the telegram for transmission.

No employee of the said Company shall vary the foregoing.

**CLASSES OF SERVICE**

**TELEGRAMS**

A full-rate expedited service.

**NIGHT MESSAGES**

Accepted up to midnight at reduced rates, to be sent during the night and delivered on the morning of the next day after their date at places where the Company's offices are open on Sundays, and on the morning of the next ensuing business day at places where the Company's offices are not open on Sundays.

**DAY LETTERS**

A deferred day service at rates lower than the standard telegram rates as follows: One and one-half times the ten-word day message rate for the transmission of 50 words or less, and one-fifth of the initial rate for such 50 words for each additional 10 words or less. The minimum charge for transmission over the Company's lines of any Day Letter will be 45 cents.

Day Letters may be forwarded by the Company as a deferred service, and the transmission and delivery of such Day Letters are, in all respects, subordinate to the priority of transmission and delivery of full-rate messages.

Day Letters may be delivered by the Company by telephoning the same to the addressees and such deliveries shall be a complete discharge of the obligation of the Company to deliver.

Day Letters are received subject to the express understanding and agreement that the Company does not undertake that a Day Letter shall be delivered on the day of its date absolutely and at all events; but that the Company's obligation in this respect is subject to the condition that there shall remain sufficient time for the transmission and delivery of such Day Letter on the day of its date during regular office hours, subject to the priority of the transmission of full-rate messages under the conditions named above.

**NIGHT LETTERS**

Accepted up to midnight for delivery on the morning of the next day after their date at places where the Company's offices are open on Sundays, and on the morning of the next ensuing business day at places where the Company's offices are not open on Sundays, at rates still lower than its standard night message rates as follows: The standard day rate for 10 words for the transmission of 50 words or less and one-fifth of the initial rate for such 50 words for each additional 10 words or less. The minimum charge for transmission over the Company's lines of any Night Letter will be 30 cents.

Night Letters may, at the option of the Company, be mailed at destination to the addressees, and the Company shall be deemed to have discharged its obligation in such cases with respect to delivery by mailing such Night Letters at destination, postage prepaid.
