Dear Mr. Mayo,

I would like to thank you very kindly for making it possible for all the children to get down to the X Ray clinic on Wednesday last. It was a wonderful opportunity & it would have been too bad if they had missed it. When I first

mentioned it I hadn't realized the position you would be in regarding possible accident in the truck & am sorry you had to have so much expense with the bus. It was indeed very kind of you to ~~make~~ give the children this chance to go, and I would like to say that quite a number of persons at the clinic remarked that they were very well behaved and not any of them

were any trouble at  
all.

Yours very sincerely  
Mrs. McKelvie
