Dearest S. Baltej Singh Ji:

ਵਾਹਿਗੁਰੂ ਜੀ ਕਾ ਖਾਲਸਾ
ਵਾਹਿਗੁਰੂ ਜੀ ਕੀ ਫਤਿਹ

It feels like a long time since you visited us here in Windsor. You have left some long lasting memories with children and adults alike. May Waheguru bless you and your family as we hope that you and your family are in good health and spirits.

As promised and at long last, we received copies of the video of the banquet/seminar in which you 'STARRED' and are pleased to enclose the same for your library. Also enclosed are letters to the editor that appeared in our newspaper following our article. Of interest to note is that the editor, who confirmed this personally, received over 40 letters. According to the editor, 60% were against our wishes and 40% in favour. Considering all aspects, we should be proud that we have 40% backing of the general public and that the editor chose majority of the letters to print in our favour. Your over whelming success with our children is the only opinion poll that we are interested in for which we are truly indebted.

Tapes of shabads sung by Sunder are also enclosed and we hope that the opportunity will present itself where we can enjoy same again with you on the tabla, a task which went uncompleted. Sangat in Detroit has expressed many notes of appreciation for your presence and performance in the gurdwara.

Personally speaking for myself, Balwant and other members of our centre who had the pleasure of spending few hours with you, we will certainly welcome another opportunity to meet with you and thus request (hope) that you will consider visiting Ontario in the near future with your family and honour us with your presence.
