This is to certify that Th. Gandasingh S/o Th: Bhulasingh of Paldeo was a student of this school for five years. He passed the IX class and read for about four months in the X class also. He was a very intelligent and diligent student. He took part in games and was a member of the 1st Eleven football.

His behaviour and character were always good. There is nothing on record against him.

I understand he is going out to Canada to prosecute his studies further, and I think he will really benefit as a student by a sojourn abroad.

He has my best wishes for his future welfare.

Headmaster B.A.
