My dear Mr. Fiske.

On the 25<sup>th</sup> inst a Petition signed by a number of leading citizens and requesting that Gauda Singh be accorded permission to remain in this country, was mailed to your Department.

The petition deals exhaustively with the subject matter and I being thoroughly conversant with the circumstances of the case and knowing the estimable character of Mayo Singh and his brother in question, would be pleased should you care to give favorable consideration to the prayer of the petition.

Yours Sincerely,

H. W. Dickie
