Dear Mayo:

Confirming our conversation August 19th, 1948.

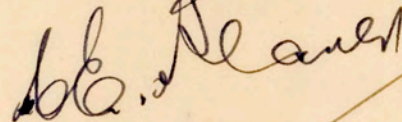

After speaking to you, I was talking to Mr. Dorman and he advised me that he would be pleased if I would complete the necessary application forms and I would, therefore appreciate if you would arrange for your daughter to secure the documents requested and have her come to Victoria with them and call at my office in order that she might sign the necessary papers.

Upon completion of the documents, your daughter can then take them to the Canadian Immigration for further handling.

Kindest regards.

Yours very truly,
