Gentlemen:

Further to a letter from Mayo Lumber Co. (1943) Ltd., dated August 23rd, in regards to an application of Jogindar Kaur for the permanent stay, in Canada, of her husband Karnail Singh.

We wish to advise that Mayo Singh purchased the Summit Lumber Company Limited, now known as the Summit Logging & Lumber Company Limited in 1946. Due to the extensive experience Jogindar Kaur had in her association with the Mayo Lumber Co. (1943) Ltd., she was appointed Secretary of this firm. The Secretary has to attend to most of the details in this operation, as the President has considerable business interests requiring his attention.

As Jogindar Kaur is a Canadian citizen and holds a responsible position in this firm, we hope her application will receive your favorable consideration.

Yours very truly,

SUMMIT LOGGING & LUMBER CO. LTD.
