Re: Karnail Singh Saroyo & Immigration

Herewith please find two copies of my submission to the Minister by way of appeal from the decision of the Board of Enquiry which directed the rejection and deportation of the above named. I also enclose my bill for professional services in connection with the Enquiry.

As explained to you over the telephone, this does not include my fee in connection with the appeal and preparation of the submission. If the appeal is successful, I will be pleased to leave the matter of what would be considered a reasonable fee to the Appellant.

Yours very truly,
