Dear Sir,

I am today advised by letter from Head Office at Ottawa that in view of numerous representations made in your behalf, it has been decided to quash the Order for Deportation and your admission to Canada has been authorized by Order-in-Council.

It will be necessary for you to present yourself at this office for medical examination on Friday next, February 4th at 11 A.M., at which time the necessary documents can be completed to cover your admission to Canada as an immigrant. A Chest X-ray will also be necessary and it is suggested that you should have this done at the Jubilee Hospital, Victoria, before you appear here for medical examination.

Yours very truly
