Dear Bibi Jee,

We, on behalf of the Management and the School Staff and Scholars, thank you heartily for the signal honour you did to us by paying a flying visit to the Institution during your so short stay here. This fact amply signifies the immense love and regard you bear towards girls education - a subject so sadly neglected heretofore. Your visit has gladdened the hearts of the school children here and the staff and the management feel honoured.

Wishing you both the best of health and the best of luck.

Yours Sincerely,

Mangal Singh ^{B.A.B.T.}
Manager.
