

Bibi Joginder Kaur Saroya D/O of Late S. Mayo Singh
Canadian, of Paldi, Dist. Hoshiarpur.

Dear Bibi Ji,

We deem it a great pleasure and proud privilege to accord you our warmest felicitations, heartiest congratulations and our best and choicest good wishes on your very kindly gracing this occasion with your auspicious presence here to-day. We feel honoured in the fact that you very graciously consented to come in our midst in spite of your various social engagements elsewhere. We feel proud that your love for Girls' Education compelled you to pay a visit to this institution.

The Late S. Mayo Singh and Revered Sardarni Bishan Kaur did a lot for Girls' Education, and for improving the lot of down trodden and God forsaken people. S. Mayo Singh, a pioneer among pioneers, carved out an enviable career in Canada. In their untimely demise, the Punjab is distinctly poorer and infant educational institutions like Nav Bharat, feel themselves orphaned.

We think, it would not be impertinent on our part to bring to your notice a few salient facts about this school 'Nav Bharat Girls High School, Panchhat'; the only Girls' High School within a radius of 10 miles :—

1. The school was founded in April, 1954, with only 10 scholars on rolls.
 2. It has now 150 scholars on rolls ; with 10 teacheresses one the staff, who are efficient, qualified and trained.
 3. The school is housed in a decent, well-furnished and well-ventilated building with extensive play-grounds, on a healthy site just beside the canal.
 4. It has shown ¹⁰⁰cent per cent results during the last Matriculation and Middle Standard Examinations. Out of the 5 scholarships in District Kapurthala ; 4 were bagged by this school.
 5. The school is recognised up to the High Standard, by the Education Department, Punjab and is borne on the permanent grant-in-aid list.
 6. There is a good arrangement of teaching Home Science to the scholars, i.e. Sewing, Embroidary, Cookery and house-keeping.
- Thanking you again for your kind visit.

We are,
Cordially yours,
