Citizenship means different things & different people
Controversy - should we become as Canadian as
In olden days - you are in Canada now
Dilemma is worse today - Van Wadding

India Mahalia asso - new church - posters

Issue of covering heads has torn Comm apart

Willing to observe all other Customs

E1 went through a very different time

So many struggles when E1 first came

for example - when I first met my husband
my husband's father gone to hospital - difficult time for him - but couldn't vote
we are still suffering for what happened in those days
can how feel they are being dragged back to the dark ages

} Secret as a threat

posters India Mahalia asso.

Two ways of looking at it. I am willing to meet them $\frac{1}{2}$ way
in language & dress

Citizenship means different things & different people

Some kept beards & turbans

Others said you are in Canada now
