J. Frazer India's Energetic S. Khs

NAT Geog. V 142 #4 Oct 1972.

J.I. Richardson; Culture + Family.

GYAN NATH; East Indian Family Structure + Relationships <sup>(9P)</sup>

1. Hindu religion 2. caste + marriage.

3. Joint families. 4. women's status.

5. EI family in Canada

1. Use of joint family, but different, in that it is a series of independent families linked through marriage, new econ. factors

→ Mrs. Jay Inglis; Family structure in relationship.

1. notes. Canadian neolocal extended family in also relative attempt at husband/wife equal status re families.

2. relaxation of marriage laws re mother's side.

But marriage out of father's village is best even here. also less "pool + share" on funds of family

3. still bias against women pursuing education.

Satish Dhar; The Residential Environment + the  
E.I. Community.

2.

a. Indian towns + relative autonomy. No such  
thing as an open housing market. Homes are part  
of the familial heritage.

b. outside the Canadian house = in the anonymous  
world. Homes are not part of the heritage, but are a  
commodity. There is no non-economic commitment of  
to the house.
