MESSAGE

PRIME MINISTER · PREMIER MINISTRE

It gives me great pleasure to extend my warmest greetings to all the delegates to the Canada-Pakistan Association Multicultural Symposium being held in Ottawa July 30 and 31, 1976.

Canada is a very fortunate country. Our people have come and will continue to come from many different lands, bringing their customs with them. In this way, we have a very rich and colourful cultural identity. We are proud of the vast contributions that Canadians of Pakistani origin have made to our way of life and encourage you to preserve and explain your cultural heritage here in Canada.

With all best wishes for an enjoyable and successful symposium.
