Multiculturalism and Ethnic Attitudes in Canada

I. Berry: Multiculturalism + Ethnic Attitudes in Canada.

93. 21.6% of anglocelts spontaneously mentioned E.C.
(rank = 10)

2.5% of Franco ^{celts} ~~celts~~ no . . . " . . . "

94 - 100 Anglophone ^{celts} concurrence of "myself" with EI was 23 rd out of 27 others (24-6) were Chabls, Menomites, Hutterites, Dutchobers. They were 24th in Franco Canadians. (25. Hutterites), Dutchobers, Menomites

94 also shows that anglo celt see differences as religion, culture, race is the most important

104. Stick together = more commonly mentioned than other groups. +.58

did not mention as frequently.

handwriting	-.5	Negro -.52
important	-.92	" -.94
by far worst Canadians	-1.73	
clean	-.99	Indian worse
worst similar to me	-1.32	
worst likeable	-1.18	
others well known to me	-.51	

* 526 Means of Evaluation of ethnic groups $R \pm$ = score of -.95 = by far the worst

207. "Nacism was evident in the ranking of the groups (esp re R I)

Three Years in Canada

19. Average # weeks before getting work 4 3/4 weeks

"India" 5 1/2 weeks
Bahrain 2 1/2 weeks.

32 After one year 61% had jobs in their intended occupations. This did not increase much - 3 years - 68%.

{ 1/5 claimed formal but re qualifications
1/5 " no edu experience
of those w/o jobs

42. About 33% of immigrant wives working after 3 years in B.C.

56. Indian total family incomes in
1970 (1st year of immigration) was 5,372
2nd year 7,603 (42%+)
3rd year 9,056 (19+)

Comparable w incomes of German immigrants (89,396), far higher than Greeks (6,628) Italians (6,457), Portuguese (8,125), Yugoslavs (8,597), Hong Kong (6,758), Philippines (7,562) + West Indies (7,510)

rate of increase in last year = 19% →
certainly do better than average -
in the next year - an average
heavily affected by high earnings
U.S + Brit immigrants

Housing

After 3 years only 27 % of immigrants
Owned houses. 45% were in apartments

Control group: 54% own

25% more.

Language: claim that 66% ^{of Indians} spoke English
at home 0

104. = higher than any other country not
having English as a nat language

→ 87% Indians know good to perfect
English after 6 months

109. 70% ^{of Indians} claimed to be at home in English
