

Lower, A.R.M.

1940

Canada and the Far East.

SIMON FRASER UNIVERSITY

MEMORANDUM

To Lower, A R M
Canada & the Far East.

From

Subject 1970.

Date

X 139: "B.C. presents statistically all of the earmarks of that Protestant, commercial, materialistic, individualistic & middle-class civilization which has been traditionally associated with the expansion of the Anglo-Saxon. It is a civilization founded solidly on the Puritan commercialism of the 17th century & on the Industrial revolution of the 18th century."

Ch VI: Oriental Immigration & Settlement in Canada pp. 61 - 89.

62. "O problem" = same as "Donkhor Problem"
