

[Handwritten notes and thoughts by Joan Mayo]

various countries & stay
 City people from different things & different people
 Countries - should we become as Canadian as
 in all these days - you are in Canada now
 television is worse today - Van Wadding
 India Mahalia seen - on channel - poster

 Issues of country & education - come up at
 Victoria & observe with other countries
 E1 went through a very different time
 too many changes, when I first came
 to Canada - when I first got to Canada
 my husband & I felt like we were in a different world
 to be on that side suffering from what happened in the days
 can show for the country, changed land & the changes
 clothes } seen as a threat
 language }
 just in India Mahalia seen

 Two ways of looking at it. I am looking at it from the way
 & language & culture

 City people from different things & different people
 Some kept themselves in their
 others said you are in Canada now
