Multicultural Week - Robson Secondary Thank you again for allowing Cst. DILLON time from your schedule to attend Campbell River. His presence at Robson Secondary for the day certainly left a positive impact on the staff and students. The writer was present for one of his presentations. The students and staff were captivated, and the following interaction was very positive. Cst. DILLON portrayed a positive role model not only for the students from the First Indian Community, but the whole student body. The media was present, and I have included copies from the local press. The local T.V. station videotaped Cst. DILLON during one of his presentations and broadcast it on the community channel. Although Cst. DILLON visited one school, his presence was felt by the community. <i>[Signature]</i> T. L. (DILLON) Insp. OIC Campbell River Detachment <i>[Signature]</i> D. E. (DILLON) Insp. C.D./V.
