Subject / Sujet FIELD TESTING OF I.I.M. COURSE CROSS CULTURAL COMMUNICATIONS SERIES - THE SIKHS.			
<p>Recently we asked selected members to participate in the field testing of our newly developed individualized instruction method I.I.M. course Cross Cultural Communications - The Sikhs. Cpt. H.F. DHILLON is one of the members who worked through the course, on his own time, and then completed a questionnaire to provide us with the necessary assessment of the course. As a result of the overall feedback, we have been able to validate the course in preparation for approval by the Director of Training. As soon as the course is approved and coded, we will be able to credit Cpt. DHILLON with the course on his P.A.S.A.D.E. document.</p> <p>Please convey our appreciation for Cpt. DHILLON's assistance in our I.I.M. program.</p>
