Government of Canada		MEMORANDUM	NOTE DE SERVICE
TO :	O.C. Prince George Sub/Division		
FROM :	SCC I/c Quenst Detachment		
SUBJECT :	Reg. No. 42648. Cst. Dhillon, S.S. <u>Newspaper Article of Interest</u>		
	Please find attached articles written recently and published in the Prince George Citizen.		
	I am pleased to say that the decision to treat Cst. Dhillon like any other recruit has been instrumental in his acceptance by the majority of public and members alike. His own performance and positive attitude have contributed considerably.		
	I am still of the view that we should down play media notoriety in order to have his acceptance continue.
